

USSF FUTSAL LAWS 2010/2011

PREFACE (from FIFA)

There have been a number of amendments to the substance of this year's edition of the Futsal Laws of the Game compared with the last 2008 edition. The entire text of the Laws has been examined and revised in order to consolidate and reorganize the contents and make them more uniform, clearer and easier to understand. The most significant changes consist of the inclusion of some of the decisions in the 2008 edition, either in the Laws themselves or in the section entitled "Interpretation of the Futsal Laws of the Game and Guidelines for Referees". The aim of the FIFA Futsal and Beach Soccer Committee in amending the title of this section was to highlight the fact that although its main purpose is to compliment the Futsal Laws of the Game, its contents are unquestionably mandatory in nature.

Furthermore, some principles that were previously implicit in the game but were not explicitly mentioned in the Laws have been included in this new edition.

Finally, the FIFA Futsal and Beach Soccer Committee wishes to remind the associations and confederations that it is their duty, in accordance with the FIFA Statutes, to ensure strict and uniform compliance with the Futsal Laws of the Game in all competitions.

USSF FUTSAL LAWS 2010/2011

LAW 1 – THE PITCH.....

Pitch surface

Matches should be played on flat, smooth and non-abrasive surfaces, preferably made of wood or artificial material, according to the rules of the competition. Concrete or tarmac should be avoided.

Artificial turf pitches are permitted in exceptional cases and only for national competitions.

Pitch markings

The pitch must be rectangular and marked with lines. These lines belong to the areas of which they are boundaries and must be clearly distinguishable from the color of the pitch.

The two longer boundary lines are called touch lines. The two shorter lines are called goal lines.

The pitch is divided into two halves by a halfway line, which joins the midpoints of the two touch lines.

The centre mark is indicated at the midpoint of the halfway line. A circle with a radius of 3 m (10 ft) is marked around it.

A mark must be drawn outside the pitch, 5 m (16 ft) from the corner arc and at right angles to the goal line, to ensure that defending players retreat this distance when a corner kick is being taken. The width of this mark is 8 cm (3 in).

Two additional marks, each at a distance of 5 m (16 ft) to the left and the right of the second penalty mark, must be made on the pitch to indicate the minimum distance to be retreated when a kick is being taken from the second penalty mark. The width of this mark is 8 cm (3 in).

Dimensions

The length of the touch line must be greater than the length of the goal line.

All lines must be 8 cm (3 in) wide.

USSF FUTSAL LAWS 2010/2011

For non-international matches the dimensions are as follows:

Length (touch line):	minimum	25 m (82 ft)
	maximum	42 m (137 ft)
Width (goal line):	minimum	16 m (52 ft)
	Maximum	25 m (82 ft)

For international matches the dimensions are as follows:

Length (touch line):	minimum	38 m (124 ft)
	maximum	42 m (137 ft)
Width (goal line):	minimum	20 m (65 ft)
	Maximum	25 m (82 ft)

The penalty area

Two imaginary lines of 6 m (19 ft) are drawn from the outside of each goalpost and a right angles to the goal line; at the end of these lines a quarter circle is drawn in the direction of the nearest touch line, each with a radius of 6 m (19 ft) from the outside of the goalpost. The upper part of each quarter circle is joined by a line 3.16 m (10 ft) in length running parallel to the goal line between the goalposts. The area bounded by these lines and the goal line is the penalty area.

Within each penalty area, a penalty mark is made 6 m (19 ft) from the midpoint between the goalposts and equidistant to them.

The second penalty mark

A second mark is made 10 m (32 ft) from the midpoint between the goalposts and equidistant to them.

The corner arc

A quarter circle with a radius of 25 cm (10 in) from each corner is drawn inside the pitch.

Goals

A goal must be placed on the centre of each goal line.

USSF FUTSAL LAWS 2010/2011

A goal consists of two upright posts equidistant from the corners and joined at the top by a horizontal crossbar. The goalposts and crossbar must be made of wood, metal or other approved material. They must be square, rectangular, round or elliptical in shape and must not be dangerous to players.

The distance (inside measurement) between the post is 3 m (10 ft) and the distance from the lower edge to the crossbar to the ground is 2 m (6 ft).

Both goalposts and the crossbar have the same width and depth, 8 cm (3 in). The nets must be made of hemp, jute, nylon, or other approved material and are attached to the back of the goalposts and the crossbar with a suitable means of support. They must be properly supported and must not interfere with the goalkeeper.

The goalposts and crossbars must be of a different color from the pitch.

The goals must have a stabilizing system that prevents them from overturning. Portable goals may only be used if they satisfy this requirement.

The substitution zones

The substitution zones are the areas on the touch line in front of the team benches, the purpose of which is described in Law 3.

- They are situated in front of the technical area and are 5 m (16 ft) in length. They are marked at each end with a line 80 cm (30 in) in length, 40 cm (15 in) of which is drawn on the pitch and 40 cm (15 in) off the pitch, and 8 cm (3 in) wide.
- The area in front of the timekeeper's table 5 m (16 ft) to either side of the halfway line is kept clear.
- A team's substitution zone is situated in the half of the pitch defended by said team and changes in the second half of the match and periods of extra time, if any.

LAW 2 – THE BALL.....

Qualities and measurements

The ball is:

- spherical;
- made of leather or other approved material;
- of a circumference of not more than 64 cm (25 in) and not less than 62 cm (24 in)
- not more than 440 g (15.5 oz) and not less than 400 g (14 oz) in weight at the start of the match

- the ball may not bounce less than 50 cm (19 in) or more than 65 cm (25 in) on the first rebound when dropped from a height of 2 m (6.5 ft)

Replacement of a Defective Ball

If the ball bursts or becomes damaged during the course of a match, the match is stopped:

- the match is restarted by dropping the replacement ball at the place where the original ball became defective, unless play was stopped inside the penalty area, in which case one of the referees drops the replacement ball on the penalty area line at the point nearest to where the original ball was located when play was stopped
- the match is restarted by retaking the kick if the ball bursts or becomes defective while a direct free kick without a wall, a kick from the second penalty mark or a kick from the penalty mark is being taken and does not touch the goalposts, the crossbar or a player and no infringement is committed

If the ball bursts or becomes damaged while not in play (at a kick-off, goal clearance, corner kick, dropped ball, free kick, penalty kick or ball inbound):

- the match is restarted in accordance with the Futsal Laws of the Game.

The ball may not be changed during the match without the authority of the referees.

USSF FUTSAL LAWS 2010/2011

Logos on balls

In addition to the requirements of Law 2, acceptance of a ball for use in matches played in an official competition organized under the auspices of FIFA or the confederations is conditional upon the ball bearing one of the following:

- the official “FIFA APPROVED” logo
- the official “FIFA INSPECTED” logo
- the “INTERNATIONAL MATCHBALL STANDARD” logo

Such a logo on a ball indicates that it has been tested officially and found to be in compliance with specific technical requirements, different for each logo and additional to the minimum specification stipulated in Law 2. The list of the additional requirements specific to each of the respective logos must be approved by the International F.A. Board. The institutes conducting the tests are subject to the approval of FIFA.

Member association competitions may also require the use of ball bearing any of these three logos.

Advertising

In matches played in an official competition organized under the auspices of FIFA, the confederations or the member associations, no form of commercial advertising on the balls is permitted, except for the emblem of the competition, the competition organizer and the authorized trademark of the manufacturer. The competition regulations may restrict the size and number of such markings.

USSF FUTSAL LAWS 2010/2011

LAW 3 – THE NUMBER OF PLAYERS.....

Players

A match is played by two teams, each consisting of not more than five players, one of whom is the goalkeeper.

A match may not start if either team consists of fewer than three players. The match is abandoned if one of the teams has fewer than three players on the pitch.

Official competitions

Up to a maximum of seven substitutes may be used in any match played in an official competition organized under the auspices of FIFA, the confederations or the member associations.

The number of substitutes that may be made during a match is unlimited.

Other matches

In National “A” team matches, up to a maximum of ten substitutes may be used. In all other matches, a greater number of substitutes may be used, provided that:

- the teams concerned reach agreement on a maximum number
- the referees are informed before the match

If the referees are not informed, or if no agreement is reached before the match, no more than ten substitutes are allowed.

All matches

In all matches, the names of the players, and substitutes must be given to the referees prior to the start of the match, whether they are present or not. Any substitute whose name is not given to the referees at this time may not take part in the match.

Substitution procedure

Substitutes may be made at any time, whether the ball is in play or not. To replace a player with a substitute, the following conditions must be observed:

USSF FUTSAL LAWS 2010/2011

- the player leaves the pitch via his/her own team's substitution zone, save in the exceptions provided for in the Futsal Laws of the Game
- the substitute only enters the pitch after the player being replaced has left
- the substitute enters the pitch via the substitution zone
- the substitution is completed when a substitute enters the pitch via the substitution zone
- from that moment, the substitute becomes a player and the player he/she has replaced becomes a substituted player
- the substituted player may take further part in the match
- all substitutes are subject to the authority and jurisdiction of the referees, whether called upon to play or not.
- If a period is extended to allow a penalty kick, a kick from the second penalty mark or a direct free kick without a wall, only the goalkeeper of the defending team may be substituted

Changing the goalkeeper

- Any of the substitutes may change places with the goalkeeper without informing the referees or waiting for a stoppage in the match
- Any player may change places with the goalkeeper
- The player changing places with the goalkeeper must do so during a stoppage in the match and must inform the referees before the change is made
- A player or substitute replacing the goalkeeper must wear a goalkeeper's jersey with his/her number on the back

Infringements and sanctions

If a substitute enters the pitch before the player being replaced has left or, during a substitution, a substitute enters the pitch from a place other than his/her team's substitution zone:

- The referees stop play (although not immediately if they can apply the advantage)
- The referees caution him/her for infringing the substitution procedure and order him/her to leave the pitch

If the referees have stopped play, it is restarted with an indirect free kick to the opposing team from the position of the ball at the time of the stoppage (see Law

USSF FUTSAL LAWS 2010/2011

13 – Position of free kick). If this substitute or his/her team also commits another infringement, play is restarted in accordance with the section entitled “Interpretation of the Futsal Laws of the Game and Guidelines for Referee” (Law 3).

If, during a substitution, the player being replaced leaves the pitch for reasons not provided for in the Futsal Laws of the Game and via a place other than his/her team’s substitution zone:

- The referees stop play (although not immediately if they can apply the advantage)
- The referees caution the player for infringing the substitution procedure

If the referees have stopped play, it is restarted with an indirect free kick to the opposing team from the position of the ball at the time of the stoppage (see Law 13 – Position of free kick).

In the event of any other infringement of this Law:

- The players concerned are cautioned
- The match is restarted with an indirect free kick to the opposing team from the position of the ball at the time of the stoppage (see Law 13 – Position of free kick). In special cases, play is restarted with the section entitled “Interpretation of the Futsal Laws of the Game and Guidelines for Referee” (Law 3).

Players and substitutes sent off

A player who has been sent off before the kick-off may be replaced only by one of the named substitutes.

A named substitute who has been sent off, either before the kick-off or after play has started, may not be replaced.

A substituted player may replace a sent-off player and enter the pitch two full minutes after the sending off, provided that he/she has the authorization of the timekeeper or the third referee (assistant referees), unless a goal is scored before the two minutes have elapsed, in which case the following conditions apply:

USSF FUTSAL LAWS 2010/2011

- If there are five players against four and the team with the greater number of players scores a goal, the team with only four players may be completed with a fifth player.
- If both teams are playing with three or four players and a goal is scored, both teams remain with the same number of players
- If there are five players playing against three, or four against three, and the team with the greater number of players scores a goal, the team with three players may be increased by one player only
- If the team that scores the goal is the one with fewer players, the game continues without changing the number of players.

- Any player required to leave the pitch to correct his/her equipment must not re-enter without the permission of the referees or third referee
- The referees, either directly or through the third referee, check that the player's equipment is correct before allowing him/her to re-enter the pitch
- The player, if he/she has not been substituted, is only allowed to re-enter the pitch when the ball is out of play or under the supervision of the third referee when the ball is in play

A player having been required to leave the pitch because of an infringement of this Law and not having been substituted who re-enters the pitch without the permission of the referees or third referee must be cautioned.

Restart of play

If play is stopped by the referees to administer a caution:

USSF FUTSAL LAWS 2010/2011

LAW 7 – THE DURATION OF THE MATCH.....

Periods of play

The match lasts two equal periods of 20 minutes, unless otherwise mutually agreed upon between the referee and the two teams. Any agreement to alter the duration of the periods of play must be made before the start of play and must comply with the competition rules.

Ending periods of play

- The timekeeper indicates the end of each period with the acoustic signal or whistle. After hearing the timekeeper's whistle or acoustic signal, one of the referees announces the end of the period or match with his/her whistle, bearing in mind the following:
- If a kick from the second penalty mark or direct free kick, beginning with the sixth accumulated foul, must be taken or retaken, the period in question is extended until the kick has been taken
- If a penalty kick has to be taken or retaken, the period is extended until the kick has been taken

If the ball has been kicked towards one of the goals, the referees must wait for the kick to end before the timekeeper may sound the whistle or acoustic signal. The period ends when:

- The ball goes directly into the goal and a goal is scored
- The ball leaves the boundaries of the pitch

- The ball touches any player other than the goalkeeper after it has been kicked at the opposing goal

The teams are entitled to a one-minute time-out in each period.

The following conditions apply:

USSF FUTSAL LAWS 2010/2011

- the team officials are authorized to request the third referee, or the timekeeper if there is no third referee, for a one-minute time-out using the document provided

USSF FUTSAL LAWS 2010/2011

LAW 8 – THE START AND RESTART OF PLAY.....

Preliminaries

A coin is tossed and the team that wins the toss decides which goal it will attack in the first half of the match.

The other team takes the kick-off to start the match.

The team that wins the toss takes the kick-off to start the second half of the match.

In the start of the second half of the match, the teams change ends and attack in the opposite goals.

Kick-off

A kick-off is a way of starting or restarting play:

- at the start of the match;
- after a goal is scored;
- at the start of the second half of the match;
- at the start of each period of extra time, where applicable.

A goal may **not** be scored directly from the kick-off.

Procedure

- all players must be in their own half of the pitch.
- the opponents of the team taking the kick-off must be at least 3 m (10 ft) from the ball until it is in play.
- the ball must be stationary on the center mark.
- the referee gives a signal.
- the ball is in play when it is kicked and moves forward

After a team scores a goal, provided that the period has not ended, the kick-off is taken by the other team.

Infringements and sanctions

If the ball is in play and the player taking the kick-off touches the ball again (except with his/her hands) before it has touched another player:

USSF FUTSAL LAWS 2010/2011

- an indirect free kick is awarded to the opposing team, to be taken from the position of the ball when the infringement occurred (see Law 13 – Position of free kick)

If the ball is in play and the player taking the kick-off deliberately handles the ball before it has touched another player:

- an indirect free kick is awarded to the opposing team, to be taken from the position of the ball when the infringement occurred (see Law 13 – Position of free kick) and his/her team is sanctioned with an accumulated foul

In the event of any other infringement of the kick-off procedure:

- the kick-off is retaken and the advantage cannot be applied

Dropped Ball

If, while the ball is still in play, the referees are required to stop play temporarily for any reason not mentioned elsewhere in the Futsal Laws of the Game, the match is restarted with a dropped ball. The match is also restarted with a dropped ball when provided for in the Futsal Laws of the Game.

Procedure

The referee or second referee drops the ball from the position of the ball when play was stopped, unless play was stopped inside the penalty area, in which case one of the referees drops the ball on the penalty area line at the point nearest to where the ball was located when play was stopped.

Play restarts when the ball touches the ground within the boundaries of the pitch. If the ball leaves the pitch after it makes contact with the ground, without a player touching it after being in play, the ball is dropped at the same point where it was dropped the first time.

Infringements and sanctions

The ball is dropped again at the same place where it was dropped the first time:

- if it is touched by a player before it makes contact with the ground
- if any infringement is committed before the ball makes contact with the ground.

USSF FUTSAL LAWS 2010/2011

LAW 9 – BALL IN AND OUT OF PLAY.....

Ball out of play

The ball is out of play when:

- it has wholly crossed the goal line or touch line, whether on the ground or in the air
- play has been stopped by the referees
- it hits the ceiling.

Ball in play

The ball is in play at all other times, including when:

- it rebounds off a goalpost or crossbar and remains on the pitch;
- it rebounds off the referees when they are on the pitch.

Indoor pitch

The minimum height of ceilings is 4 m (13 ft) and is stipulated in the competition rules.

If the ball hits the ceiling while in play, the game is restarted with a kick-in taken by the opponents of the team that last touched the ball. The kick-in is taken from the point on the touch line nearest to the place on the ground above which the ball hit the ceiling (see Law 15 – Position of kick-in).

USSF FUTSAL LAWS 2010/2011

LAW 10 – THE METHOD OF SCORING.....

Goal scored

A goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar, provided that no infringement of the Futsal Laws of the Game has been committed previously by the team scoring the goal.

A goal is disallowed if the goalkeeper of the attacking team throws or hits the ball intentionally with his/her hand or arm from inside his/her own penalty area and is the last player to touch or play the ball. The match is restarted with a goal clearance to the opposing team.

If, after a goal is scored, the referees realize, before play restarts, that the team that scored the goal is playing with an extra player or has carried out a substitution incorrectly, they must disallow the goal and restart play with an indirect free kick to be taken by the opponents of the offending player from any point inside the penalty area. If the kick-off has already been taken, they take the measures against the offending team provided for in Law 3, but the goal is allowed. The referees report the fact to the appropriate authorities. If the goal was scored by the other team, they must allow it.

Winning team

The team that scores the greater number of goals during a match is the winner. If both teams score an equal number of goals, or if no goals are scored, the match is drawn.

Competition rules

If the competition rules require there a winning team after a match or home-and-away tie, the following are the only permitted procedures for determining the winning team:

- away goals rule
- extra time
- kicks from the penalty mark.

These procedures are described in the section of this publication entitled “Procedures to Determine the Winner of a Match or Home-and-Away”.

LAW 13 – FREE KICKS.....

Types of free kicks

Free kicks are either direct or indirect.

The direct free kick

Signal

One of the referees signals the direct free kick by keeping one arm horizontal and pointing in the direction the kick has to be taken. The referee points to the ground with his/her other hand to make it plain to the third referee and the timekeeper that it is an accumulated foul.

Ball enters the goal

- If a direct free kick is kicked directly into the opponents' goal, a goal is awarded
- If a direct free kick is kicked directly into the team's own goal, a corner kick is awarded to the opposing team.

Accumulated fouls

- are those punishable with a direct free kick or penalty kick mentioned in Law 12
- the accumulated fouls committed by each team in each period are recorded in the match report
- the referees may allow play to continue by applying the advantage if the team has not previously committed five accumulated fouls and the opposing team is not denied a goal or an obvious goalscoring opportunity
- if they apply the advantage, the referees use the mandatory signals to indicate an accumulated foul to the timekeeper and third referee as soon as the ball is out of play
- if extra time is played, accumulated fouls from the second period continue to accumulate during extra time.

The indirect free kick

Signal

The referees indicate an indirect free kick by raising their arms above their heads. They maintain their arms in that position until the kick has been taken and the ball has touched another player or goes out of play.

USSF FUTSAL LAWS 2010/2011

Ball enters the goal

A goal can be scored only if the ball subsequently touches another player before it enters the goal:

- if an indirect free kick is kicked directly into the opponents' goal, a goal clearance is awarded
- if an indirect free kick is kicked directly into the team's own goal, a corner kick is awarded to the opposing team.

Procedure

For both direct and indirect free kicks, the ball must be stationary when the kick is taken.

- The player taking the free kick kicks the ball with the intention of scoring a goal and may not pass the ball to a team-mate
- Once the free kick has been taken, no player may touch the ball until it has been touched by the defending goalkeeper, rebounded off one of the goalposts or the crossbar, or left the pitch
- If a player commits his/her team's sixth accumulated foul in the opposing team's half or in his/her own half of the area bordered by the halfway line and an imaginary line parallel to the halfway line passing through the second penalty mark, the free kick is taken from the second penalty mark. The location of the second penalty mark is indicated in Law 1. The free kick is taken in accordance with the section of this publication entitled "Position of free kick"
- If a player commits his/her team's sixth accumulated foul in his/her own half of the pitch between the imaginary 10 m (30 ft) line and the goal line but outside the penalty area, the attacking team decides whether to take it from the second penalty mark or the place where the infringement occurred.

PROCEDURES TO DETERMINE THE WINNER OF A MATCH OR HOME-AND-AWAY

Away goals, extra time and kicks from the penalty mark are the three methods approved for determining the winning team where competition rules require there to be a winning team after a match has been drawn. Extra time and kicks from the penalty mark are not part of the match.

Away goals

Competition regulations may provide that where teams play each other home and away, if the aggregate score is equal after the second match, any goals scored on the pitch of the opposing team will count as double.

Extra time

Competition rules may provide for two further equal periods, not exceeding five minutes each, to be played. The conditions of Law 8 will apply.

Kicks from the penalty mark

Competition rules may provide for kicks from the penalty mark in accordance with the procedure stipulated below.

Procedure

- the referee shall choose the goal at which the kicks shall be taken.
- the referee tosses a coin and the team whose captain wins the toss shall decide whether to take the first or second kick.
- the referee, the second referee, the third referee and the timekeeper keep a record of the kicks being taken.
- subject to the conditions explained below, both teams take five kicks.
- the kicks are taken alternately by the teams
- if, before both teams have taken five kicks, one has scored more goals than the other could score even if it were to complete its five kicks, no more kicks are taken.
- if, after both teams have taken five kicks, both have scored the same number of goals, or have not scored any goals, kicks shall continue to be taken in the same order until one team has scored one goal more than the other from the same number of kicks.
- all players and substitutes are authorized to take the penalty kicks.

USSF FUTSAL LAWS 2010/2011
