

## Lake Country Soccer On-line Registration Assistance Document

**Please refer to this document for answers and assistance to register your team or your individual player for any of Lake Country's fall league programs.**

This document is designed to provide additional information and assistance in order to register a team or an individual player for the fall 2007 outdoor league or any of Lake Country Soccer's youth development programs, including the mini kickers, junior kickers or the Youth Development Academy. For additional assistance, please contact Kelly Ross via email; [kelly@lakecountrysoccer.org](mailto:kelly@lakecountrysoccer.org)

The age group chart below indicates the age group brackets for league play for the 2007-08 registration year, according to US Youth Soccer and the United States Soccer Federation. Please use this chart to register your team for the appropriate league; OR to register your child at the appropriate age division (excluding the minis, juniors and youth development academy).
